PHASING OUT THE CONDUCT OF EXAMINATIONS FOR THE ADVANCED CRAFT CERTIFICATE PROGRAM BY 2024

The Uganda Business and Technical Examinations Board (UBTEB) has resolved to phase out the conduct of examinations for all candidates intending to undertake the Advanced Craft Certificate by the end of the year 2024. This is done in accordance with the TVET reforms and in reference to the streamlined curricula for Technical and Vocational Training Certificate programs.

This communication is intended for all those who did Craft programs which required them to first enroll in the respective Advanced Craft programs before joining the relevant Diploma programs.

The Board is therefore informing all those intending to register for the examinations of Advanced Craft programs to do so before the close of registration for the November /December 2024 examinations. This will be the final time for the Board to conduct examinations for Advanced Craft Certificate.

Registration for the November/December 2024 series is ongoing and will close on Friday 1st November, 2024.

We understand that this change may impact both current and prospective students. As such, we ask for your collaboration in communicating this update to your staff and students.

Thank you.

Onesmus Oyesigye (CPA)
EXECUTIVE SECRETARY
