The Heads of Examinations /Assessment Centers for;
Technical & Vocational Colleges,
Biological & Physical Sciences Institutions, and

RESCHEDULING OF THE DATES TO CONDUCT MAY/JUNE 2024 EXAMINATIONS

Following guidance received from the line Ministry of Education and Sports in regard to the National Census Exercise, Uganda Business and Technical Examinations Board has rescheduled the dates for the conduct of the May-June 2024 Examination series. The Examinations are in the categories of Business, Co-operatives, Humanities Certificates & Diplomas, Technical & Vocational Diplomas, Biological and Physical Sciences Diplomas and Certificates.

The rescheduled dates are to allow all the stakeholders including candidates, staff and examiners and other expected supervisors to attend to the key census dates 9th and 10th of May 2024.

This therefore, serves to inform all Assessment Centres offering programmes in the mentioned categories that the conduct of examination theory papers will run between 13th May and 7th June 2024. Heads of Centres are advised that briefing of all candidates is mandatory and will be done on Thursday 8th May 2024 in all examinations centres.

The Board further informs all centres that the timetables will now be adjusted accordingly. However, the rest of the scheduled activities like real life assessment will still remain as earlier planned. Thus the rescheduled dates will not change the registration timelines and other related aspects.

Thank you.
