SENSITISATION ON HIV/AIDS DURING BRIEFING OF CANDIDATES FOR THE JULY/AUGUST 2024 EXAMINATIONS SERIES.

In pursuit of implementing the Government of Uganda's intervention on HIV/AIDS, and in line with Guidelines for Multi-sectorial HIV/AIDS mainstreaming in Uganda, February 2018 under the "Presidential Fast track initiative on ending HIV and AIDS in Uganda by 2030," urging various stakeholders to play a role in creating awareness on HIV/AIDS. It is important as a key player in the skills development agenda to give information to all candidates on how to stay healthy and free from HIV/AIDS. In our dedication to promoting a healthy nation, we recognize HIV/AIDS as a significant threat to human capital development and human well-being. Since the majority of our candidates are the youth, we encourage you to create awareness of prevention, care, treatment, and social support for persons living with HIV/AIDS.

The Board therefore informs all Heads of Centres to incorporate key messages on HIV/AIDS during the briefing of all candidates for the July/August 2024 examinations series scheduled for 2nd August, 2024. A copy of the message delivered to candidates on HIV/AIDS shall be enveloped with the report submitted to UBTEB by the Area coordinator fully signed by the Head of the Institution and HIV/AIDS facilitator.

In case of any correspondence on this subject, please contact our focal person on HIV/AIDS mainstreaming Mrs. Cate Ssemakula on Tel: 0772-499995 or email; catekiisa@gmail.com.

We appreciate your continuous support towards the implementation of critical activities for the smooth conduct of examinations.
